8. To make the child creative and imaginative.
9. To help him to recognize letters, numbers, colours, shapes etc.

**EVALUATION**

1. No formal tests will be conducted during the session.
2. Student's performance will be assessed continuously through the worksheets, orals & work done in the class.
3. The assessment is made in the form of grades.
4. The evaluation includes assessment of the overall development of the child.

**GENERAL INSTRUCTIONS**

1. An activity based teaching and learning process is strictly followed to ensure zero stress level and maximum learning experience.
2. Our teaching learning process is a storehouse of fun, frolic & knowledge that prepares a child for a smooth transition from Pre-school to formal school.
3. Our curriculum provides comprehensive introduction to pre-reading, pre-writing & number skills, language development & cognitive awareness for each level. (1)

4. Age appropriate activities are performed in the class for developing:-

- Analytical reasoning
- Sequential thinking
- Problem solving
- Eye & hand co-ordination
- Concentration Ability
- Recognition Ability

5. Topics covered every month will be supplemented with Presentations through Smart Class.

6. Maintain regular communication with the class teacher through the link book. Make it a point to attend all the PTMs.

7. All subjects, except Hindi will be taught in English. It will be helpful if English conversation is encouraged at home.

8. Above all, daily spend some quality time with your child to instill the want to read and learn more.

\* This planner will be followed as a guideline and a fair amount of changes will be made from time to time as demanded by the environment and the emerging situations in the classroom.
