Celebrating the Joy of Reading

World Book Day at Vikas Bharati Public School

On May 1st, Classes IV and V at Vikas Bharati Public School celebrated World Book Day with creative activities that emphasized the joy of reading. Students crafted unique bookmarks and designed book covers, showcasing their creativity. Their work was proudly displayed in the classroom, creating a vibrant and inspiring environment. The event reinforced the importance of books and reading, making it a memorable experience for all involved.

"Just as books open doors to endless worlds of imagination, a mother's love opens the heart to endless possibilities. Together, they nurture our minds and souls, shaping who we are and who we can become."

Empowering Adolescents: Vikas Bharati's Peer Educator Programme

Empowering future leaders
Vikas Bharati Public School has embraced CBSE's Adolescence Peer Educator Programme, with students completing the four stages of leadership training in life skills, health, and well-being. Selected Peer Educators, aged 15 to 19, lead sessions for Grades VI to X, focusing on topics like health, peer pressure, and emotional management. Guided by the school counselor, these sessions promote resilience, social skills, and critical thinking, preparing students for modern challenges. The Peer Educators were encouraged by the enthusiastic participation of their peers, highlighting the program's success in fostering a supportive and empowering school environment.

Refining Language Skills: A Workshop on Grammar and Phonetics

On May 20, 2024, a workshop on common mistakes in grammar and phonetics was conducted by Mr. Arun Kumar Tripathi. The session focused on improving English pronunciation through the teaching of symbols and sounds. Additionally, common grammatical errors were addressed with the help of handouts distributed among the teaching staff. The workshop provided an invaluable opportunity for teachers to clarify their doubts and correct misconceptions, ultimately enhancing their language skills. The interactive session was highly beneficial, helping educators refine their understanding of English grammar and phonetics.

Talking Digital Suraksha for Teens

A Focus on Online Safety

On May 10, 2024, at Hyatt Regency, Delhi, the event "Talking Digital Suraksha for Teens," in collaboration with Meta, brought together educators and parents for a crucial discussion on online safety. Ms. Anni Kumar (PGT Computer Science) and Ms. Manjula Singh, along with parent Ms. Jyotsana Parasher, participated in this roundtable. The session provided insights into digital safety initiatives and addressed the challenges of keeping teens safe online. Through engaging discussions with Meta representatives, participants worked towards creating a safer digital environment for adolescents, enhancing our collective approach to online well-being.

ATL Achievements

We are thrilled to announce that among the six students who participated in the Electronics and IT Olympiad 2023-24, two of our very own have emerged as zonal winners!

Heartiest Congratulations to:

- Sparsh (Class VIII) for clinching the 1st position with a winning amount of ₹4000 per annum.
- Dev Sharma (Class X) for securing the 4th position with a winning amount of ₹2500 per annum.

Your hard work and dedication have truly paid off, and we couldn't be prouder of your outstanding achievements.

Well done, Sparsh and Dev! Keep shining and making us proud!

We are thrilled to announce that the team "SHIELD" from Vikas Bharati Public School has achieved a winning position in the "Microsoft Imagine Cup Junior 2024 Tech for Good, Global Competition"!

Our talented students, Sparsh (VIII) and Drishti Aggarwal (IX), have made us incredibly proud by securing this prestigious honor. Notably, we are the sole representatives from India to achieve this distinction on an international platform.

This remarkable accomplishment is a testament to their hard work, dedication, and innovative spirit. Join us in congratulating Sparsh and Drishti for their outstanding achievement!

Baisakhi Festivities at Vikas Bharati Public School

Baisakhi, a popular festival celebrated across India, especially in the Northern states, marks the beginning of the New Year for the Sikh community. This vibrant festival, observed annually on April 13th, is a time of joy and happiness for people of all ages. To commemorate this occasion, Vikas Bharati Public School organized a special coloring activity for Class I students. The activity was designed to help the young learners understand and appreciate India's festivals and rich cultural heritage. Through their colorful creations, the students not only enjoyed the festive spirit but also deepened their awareness of the cultural significance of Baisakhi. This initiative reflects the school's ongoing commitment to fostering responsible and compassionate citizens who are well-versed in their cultural roots. The event was a joyful and educational experience, leaving a lasting impression on the young minds.

Celebrating both the harvest of our fields and our hearts together. They bring communities closer, fostering unity, gratitude, and the joy of sharing."

Embracing Unity and Joy

Eid Celebration with Love

Eid is meant to be a time of joy and blessing for the entire Muslim community and a time for distributing one's wealth. As we all know that India is a diverse country and people here, no matter what religion they belong to, give equal importance to all the religions. To inculcate the feeling of unity in diversity among the students of Vikas Bharati, several activities were conducted. The coloring activity was conducted. All the students participated with full enthusiasm.

Vikas Bharatians: The Eco Warriors Leading the Green Revolution

Celebrating Earth Day with a Greener Tomorrow

The Eco Club at Vikas Bharati Public School organized various activities to promote environmental awareness under the theme "Planet vs. Plastics" in April and "Greening School" in May. Students participated in essay writing, poster-making, slogan writing, and role-playing to spread environmental messages. These initiatives encouraged students to adopt sustainable practices and contribute to a greener future, emphasizing the importance of reducing plastic pollution and planting trees.

Best Out of Waste: Creativity Blossoms on Mother Earth Day

To celebrate Mother Earth Day, a "Best Out of Waste" activity was organized for the students of Class 4 and 5. This initiative aimed to transform ordinary waste materials into extraordinary creations, fostering both creativity and environmental awareness among the young learners. The students of Class 4 showcased their artistic skills by crafting beautiful wall hangings from discarded items. Meanwhile, the students of Class 5 turned waste bottles into charming bottle planters, breathing new life into materials that would otherwise be thrown away. This hands-on activity not only encouraged creativity and innovation but also taught the students the value of reducing waste and protecting our planet. The children participated with great enthusiasm and interest, realizing that even waste can be transformed into something useful and beautiful. Through this activity, the students learned an important lesson about sustainability and the significance of making environmentally conscious choices, all while celebrating the spirit of Mother Earth Day.

Honoring Love: A Heartfelt Mother's Day celebration

*"A mother is she
who can take the
place of all others
but whose place no
one else can take."*

To honor the incredible love and dedication of mothers, our school organized a special Mother's Day activity for students of Grades IV and V. The students of Grade IV expressed their heartfelt gratitude by creating beautiful cards for their mothers, while the students of Grade V crafted personalized photo frames, capturing cherished memories. Using A4-sized sheets and decorative materials, the children poured their creativity into these thoughtful gifts. The learners participated with great enthusiasm, showcasing their love and appreciation for the most special person in their lives. The activity was a touching tribute to the irreplaceable bond between a mother and her child, making Mother's Day a memorable occasion in our school.
